	Monday	Tuesday	Wednesday	Thursday	Friday
4:00		I wake up at the crack of dawn and start my day			
5:00		I hit the road and set off for university			
6:00	I roll out of the bed and eat breakfast		I rise from my bed to start my routine		I get up to have a wash and prepare myself
7:00	I tidy up my bedroom then I take a shower	I arrive at university just in time for my first class	I prepare myself and afterwards grab a quick breakfast		Before going to the university, I eat a piece of bread and hot chocolate
8:00	After getting ready, I head to university		I commute to campus from Usme to Soacha by SITP		I catch the bus to get to U
9:00		I wrap up my class and go to the library			
10:00	I get to the university and attend my first class	I clear my mind playing video games and listening to music for a while	I reach the U and step into the initial class of the day	I get up, and then get ready by taking a shower	I am in my first class of the day

	Monday	Tuesday	Wednesday	Thursday	Friday
11:.00		I put aside video games to kick off work on my assignments or personal projects		I head to my brother's school to pick him up	
12:00	after leaving my class I go to the library to work on my assignments		Finishing the class, I take a break to have lunch alongside my friends		Once the class ends I go to the library to kill time
13:00	I go with my friends to a restaurant to have lunch	I have lunch with my friends		I sit down for lunch with my family	I eat something to recharge energy prior to the class
14:00	Then I go to my next class	Show up to my second class	I sit through my last class	I tidy up the laundry and hang out the clothes from the washer	I attend my last class of the week
15:00				I focus on my pending tasks	
16:00	I go back home	I finish my last class, hence I head home	In the journey back home, I listen to music or podcasts		I make my way back home

	Monday	Tuesday	Wednesday	Thursday	Friday
17:00				I start to work on my personal projects	
18:00	I wash my lunch box		I pull into home, also unwind by playing video games		I arrive home and grab a light snack
19:00	I have dinner	I grab a bite for dinner followed by doing the dishes		I unwind playing video games during a long session with music playing in the background	
20:00	I play in my computer a while	I call it a day and go to sleep	I have a meal and later brush my teeth		I enjoy a gaming session on my pc
21:00				I prepare my stuff for the next day and go to bed	
22:00	I go to the bed and sleep		Being exhausted, I head to bed	I check my social media on my phone before sleeping	To wrap up my week I go to bed and sleep
23:00				Finally I drift off
